### **WHEREAS:**

InnoStars is an association whose funds are used to promote innovation, entrepreneurship and education in the field of health;

v1 After simplified market research Supplier has been selected as service provider for InnoStars for Services as referred to in Annex 1 of this Agreement, based on InnoStars request for quotation (“Request”) and Supplier’s offer (“Offer”). The terms and conditions of the legal relationship between the Parties shall be interpreted as set in the Request and the Offer accepted by InnoStars.

v2 InnoStars has launched a procurement procedure of services (“Services”) described in Annex 1 to this Agreement via a request for proposal (Request”) and Supplier has been selected as service provider for InnoStars for the Services, based on the Supplier’s offer (“Offer”) annexed to this Agreement as part of Annex 1. The terms and conditions of the legal relationship between the Parties shall be interpreted as set in the Request and the Offer accepted by InnoStars.

Supplier has knowledge and experience in performing the Services, on the basis of a temporary engagement (hereinafter: the ‘Services’);

Supplier is willing and able to provide the Services to InnoStars, as further provided for in this Agreement.

### **NOW, THEREFORE, THE PARTIES HAVE AGREED AS FOLLOWS:**

#### **Article 1: Structure of the Agreement and precedence**

- 1.1 This Agreement consists of the body of this Agreement and Annex 1 attached to this Agreement.
- 1.2 The body contains standard general provisions applicable to all Services purchased by InnoStars from Supplier under this Agreement.
- 1.3 Annex 1 contains the description of the Services and the time schedule for the delivery of such Services (extracted from Supplier’s Offer), as well as additional specific conditions and details adapted to the type of Services purchased by InnoStars from Supplier under this Agreement.

- 1.4 Both the body of this Agreement and Annex 1, as well as the InnoStars Request (as referred to in Annex 1) form the Agreement.
- 1.5 In case of discrepancy between the description of Services and time schedule in the InnoStars Request and the description of Services and time schedule in Annex 1, the InnoStars Request shall prevail. In case of discrepancy between a provision in the body and a provision in Annex 1, the provision in the body shall prevail unless the deviating provision in Annex 1 states expressly that it is specifically agreed by both Parties as being in deviation of a specific provision of the body and refers clearly to the provision of the body concerned.

## **Article 2: Ordering of Services, non-applicability of Supplier's (standard) terms and conditions**

- 2.1 Supplier does not commit to provide the Services exclusively to InnoStars, and Supplier is not exclusively hired by InnoStars, unless and to the extent provided in Annex 1 as such for certain specific types of Services.
- 2.2 The contractual relationship between InnoStars and Supplier shall solely be governed by the terms and conditions of this Agreement and its Annexes. InnoStars is therefore not bound by and expressly rejects Supplier's general conditions of services and any additional or different terms or provisions that may appear on any proposal, quotation, price list, acknowledgment, invoice, packing slip or the like used by Supplier.

## **Article 3: Performance of the Services, organization, quality, timely delivery, subcontracting, reporting of progress, acceptance, changes**

- 3.1 With due observance of the other provisions of the Agreement, Supplier shall perform the Services specified under Annex 1 for InnoStars under this Agreement, within the time schedule specified under Annex 1.
- 3.2 Supplier agrees to perform the Services by exercising due skill, speed and care, at a level generally required of well-reputed Suppliers in the same field as the one covered by this Agreement and shall make every effort to the best of Supplier's abilities to serve the interests of InnoStars as much as possible.
- 3.3 Supplier is free to organise the way it provides the Services and the timing thereof autonomously and at its own discretion without supervision or authority of InnoStars provided, (i) the Services are performed accurately and diligently and in accordance with the requirements of this Agreement, including the timely delivery of the Services as specified by InnoStars, and (ii) subject to specific requirements as may be stated in Annex 1 or determined by InnoStars regarding the way the Services shall be provided. Supplier may conduct its business activities from its own premises but may be requested to operate from InnoStars's premises whenever it is necessary for the performance of the Services. When performing the Services, Service Provider shall use its own tools and materials, work forces. Supplier shall be fully responsible for the proper execution of this Agreement in all respects.
- 3.4 Supplier shall arrange its personnel's own travel, should the Supplier's personnel need to travel in order to perform the Services. These costs are generally shall be covered by the Supplier as part of the service price, unless otherwise specifically provided in Annex 1.
- 3.5 Supplier shall use personnel who possess the qualifications and experience necessary for the performance of the Services. Additional requirements relating to personnel may be provided in Annex 1, as the case may be.

- 3.6 Unless otherwise specifically provided under Annex 1, Supplier may subcontract part of the provision of the Services to subcontractors, provided such subcontractors are contractually bound by similar obligations as under this Agreement, and provided Supplier has disclosed the elements of the Agreement to be subcontracted and the identity of the relevant subcontractor to InnoStars. Supplier remains at all times responsible for the work performed by its subcontractors and for the acts, defaults and negligence of such subcontractors, and no subcontract shall create any contractual relationship between any subcontractor and InnoStars. Additional requirements relating to subcontracting may be provided in Annex 1, as the case may be.
- 3.7 In order for InnoStars and Supplier to monitor the proper performance of the Services throughout the Term of the Agreement, Supplier shall report to InnoStars progress of the performance of the Services, in writing, at intervals and under conditions specified by InnoStars.
- 3.8 If, for whatever reason, Supplier is not able to perform the agreed Services, or is not able to meet the deadlines agreed in Annex 1, Supplier shall notify InnoStars hereof promptly in writing, and shall take any reasonable measure to mitigate the consequences of such situation, in agreement with InnoStars.
- 3.9 Services delivered are subject to the acceptance of InnoStars. InnoStars shall issue a Performance certificate after completion of Services. Should InnoStars fails to reject part or all of the Services provided within 15 (or other deadline set forth in Annex 1) calendar days as from such delivery or shall not set a warranty claim during or after delivering the services, on the grounds of a lack of quantity, quality or compliance, or because of late delivery, Services shall be considered as accepted; if a Service is accepted, it does not limit InnoStars's warranty rights and Supplier's warranty obligations arising from late or defective performance. Should InnoStars reject a Service (within the above deadline) because of lack of quantity, quality or compliance, and such failure is capable of remedy, Supplier shall re-perform the rejected (part of the) Service promptly (but no later than 5 days in absence of any further instructions) at no additional charge for InnoStars. Should such failure be not capable of remedy (given the type of Service and/or the extent of the failure) or should the delivery have occurred after an essential delivery deadline which renders the Service irrelevant or useless, the Services at stake shall be considered as rescinded, and InnoStars is not obliged to provide any compensation to Supplier for such Services. If Services are partly accepted by InnoStars, the Parties shall agree on the reduced Service fee.
- 3.10 Modifications to the Services and/or other provisions of this Agreement may only be agreed by the Parties if:
- (a) mutually agreed in writing, and
  - (b) the need for modification has been brought about by circumstances which a diligent contracting entity could not foresee; and
  - (c) the modification does not alter the overall nature of the Agreement and the key terms included in the Request; and
  - (d) any increase in price is not higher than 50% of the original value of the Agreement (annual value, if the term spans over 1 year). In addition, if several successive increases in price would be agreed, the total cumulating of such successive increases shall not exceed 50% of the original (annual) value of the Agreement; and
  - (e) modifications above 10% of the original value of the Agreement should only amend specific conditions of the Agreement and be made by way of an amendment to this Agreement signed by both Parties.

Furthermore, a disclosure by Supplier that is required pursuant to any judicial or governmental proceeding shall not be considered a breach of this Agreement, provided that Supplier promptly after learning of such action shall notify, to the extent permitted by applicable law, InnoStars thereof to give Supplier the opportunity to contest disclosure or to seek any available legal remedies to maintain such information in confidence.
- 7.4 Supplier is not permitted - alone or with or through others – to remove, dispatch, transmit or allow any third parties to inspect, use or otherwise have access to any property belonging to InnoStars or any of its Affiliates, including but not limited to any notes, drawings, letters, formulas, recipes, other documents and/or any copies thereof, tools, designs, products manufactured or (copies of) computer files or other data carriers, unless InnoStars has given its prior written permission to any such action.
- 7.5 InnoStars shall remain the owner of all property it has made available to Supplier in connection with this Agreement.
- 7.6 Supplier shall make all property belonging to InnoStars (or its Affiliates) such as, but not limited to any notes, drawings, letters, formulas, recipes, other documents and/or copies of such matters, tools, models, finished products, (copies of) automated files or other data carriers, which come into its possession during the term of this Agreement, available to InnoStars in good condition immediately upon initial request, but in any case on the day on which the Agreement ends.

- 9.2 Supplier warrants that it has taken out sufficient insurance against damage, costs and interest, or has made a sufficient provision for this purpose and is obliged to fully disclose to InnoStars immediately upon initial request all the (policy conditions of the) aforementioned insurance(s) and/or provisions. Supplier shall indemnify InnoStars and shall pay its insurance proceeds to InnoStars and furthermore indemnify for the excess amount of the total claim of damages that is not covered by the insurance of Supplier or any other insurance. InnoStars shall be entitled to take legal action against Supplier.
- 9.3 Neither Party excludes or limits its liability for death or personal injury arising from its own negligence, fraud, breach of confidentiality or for any liability that cannot by law be excluded or limited.
- 9.4 Neither Party shall be responsible to any other Party for any indirect or consequential loss or similar damage such as, but not limited to, loss of profit, loss of revenue, loss of contracts or business opportunities or loss of data, provided such damage was not caused by a wilful act or by a breach of confidentiality. InnoStars' liability towards Supplier is limited to the amount due to Supplier for completed performance under the Agreement.
- 9.5 Subject always to Section 9.3., depending on the nature of the Services and the liability risk associated therewith, a cap to the liability of Supplier under this Agreement may apply only if expressly mutually agreed in writing in Annex 1.

The deadline for delivering the last Services is determined in Annex 1.

- 10.2 InnoStars may terminate this Agreement without reason fully or partially with 14 calendar days notice period.
- 10.3 InnoStars may suspend, withdraw, dissolve or terminate this Agreement fully or partially with immediate effect without Supplier incurring any penalty or compensation claims (extraordinary termination notice) if and as soon as:

  - (b) Supplier fails to provide InnoStars with adequate assurance of performance following request by InnoStars; or
  - (c) Supplier files a petition for bankruptcy or is declared bankrupt; or
  - (d) Supplier has become unable to pay its debts as they fall due or make any special arrangement(s) or composition with its creditors;
  - (e) Supplier enters into voluntary or judicial liquidation;
  - (f) the business of Supplier ceases to exist or control or ownership is taken over by a third party;

  - (h) Supplier is subject to a Conflict of Interest;
  - (i) the Parties cannot reach a common understanding on any issues to be decided during performance under this Agreement.
- 10.4 As from receipt of a termination notice from InnoStars (under any legal ground), Supplier shall suspend all of its Services and agree with InnoStars whether to bring part of the terminated Services to a closure. If InnoStars require part of the terminated Services to be completed, Supplier has to finish them in a prompt and orderly manner and to reduce expenditure to a minimum. InnoStars is not obliged to pay for any Services that were not approved by InnoStars.
- 10.5 Supplier may, after giving 14 calendar days written notice to InnoStars, terminate the Agreement if InnoStars:
- (a) fails for more than 120 calendar days to pay Supplier the amounts due after the expiration of the payment term stated in Section 4; or
  - (b) consistently fails to meet its material obligations after repeated reminders; or
  - (c) suspends the progress of the Services or any part thereof for more than 90 calendar days for reasons not specified in the Agreement, or not attributable to Supplier's breach or default.

- 11.1 Supplier accepts without reservation that during the implementation of the Agreement and for four (4) years after the completion of the Agreement, InnoStars has the right for the purposes of safeguarding the EU's financial interests, the Request, the Offer and the Agreement with Supplier may be transferred to internal audit services, the EIT, to the European Court of Auditors, to the Financial Irregularities Panel or to the European Anti-Fraud Office ('safeguarding the EU's financial interests').
- 11.2 Supplier confirms that it shall take all measures to prevent any situation where the impartial and objective implementation of the Agreement is compromised for reasons involving economic interest, political or national affinity, family or emotional ties or any other shared interest ('Conflict of interests'). The contractor is obliged to inform InnoStars immediately if

there is any change in the above circumstances at any stage during the implementation of the tasks under the Agreement.

## Article 12: Miscellaneous

Any subsequent change of address shall be promptly notified by the Party concerned to the other Party and embodied in an amendment to the preamble of this Agreement.
- 12.2 In the event that Supplier is prevented from performing any of its obligations under the Agreement for reason of force majeure (being an event unforeseeable and beyond the control of Supplier) and Supplier has provided sufficient proof for the existence of the force majeure, the performance of the obligation concerned shall be suspended for the duration of the force majeure. InnoStars shall be entitled to terminate the Agreement with immediate effect by written notice to Supplier, immediately if the context of the non-performance justifies immediate termination, and in any event if the circumstance constituting force majeure endures for more than thirty (30) days and, upon such notice, Supplier shall not be entitled to any form of compensation in relation to the termination. Force majeure on the part of Supplier shall in any event not include shortage of personnel or production materials or resources, strikes, epidemic or pandemic, breach of contract by third parties contracted by Supplier, financial problems of Supplier, nor the inability of Supplier to secure the necessary licenses in respect of software to be supplied or the necessary legal or administrative permits or authorizations in relation to the Services to be supplied.
- 12.3 Supplier shall not transfer, pledge or assign any of its rights or obligations under the Agreement without the prior written consent of InnoStars. Any such pre-approved, transfer, pledge or assignment shall be null and void and have no effect vis-à-vis such third party.
- 12.4 The rights and remedies reserved to InnoStars are cumulative and are in addition to any other or future rights and remedies available under the Agreement, at law or in equity.
- 12.5 Neither the failure nor the delay of InnoStars to enforce any provision of the Agreement shall constitute a waiver of such provision or of the right of InnoStars to enforce each and every provision of the Agreement.
- 12.6 No course or prior dealings between the Parties, no course of performance, and no usage of the trade shall be relevant to determine the meaning of the Agreement and to modify the provisions of this Agreement.
- 12.7 No waiver, consent, modification or amendment of the terms of the Agreement shall be binding unless made in writing specifically referring to the Agreement signed by InnoStars and Supplier.
- 12.8 In the event that any provision(s) of this Agreement shall be held invalid, unlawful or unenforceable by a court of competent jurisdiction or by any future legislative or administrative action, such holding or action shall not negate the validity or enforceability of any other provisions of the Agreement. Any such provision held invalid, unlawful or unenforceable, shall

be substituted by a provision of similar import reflecting the original intent of the clause to the extent permissible under applicable law.

- 12.9 All terms and conditions of the Agreement which are destined, whether express or implied, to survive the termination or the expiration of the Agreement, including but not limited to Intellectual Property, Confidentiality and Personal Data, shall survive.
- 12.10 The Agreement shall be governed by and construed in accordance with the laws of the country or state in which the InnoStars back office is located; at the time of signing this Agreement, the back office is located in Budapest, so the Hungarian law shall be applied.
- 12.11 Supplier and InnoStars each consents to the exclusive jurisdiction of the competent courts in (i) the country or state in which the InnoStars back office is located; or (ii) at the option of InnoStars, the jurisdiction of the entity of Supplier to which the order was placed. The court proceeds in accordance with procedural rules of the country or state of competent court(s). Supplier hereby waives all defences of lack of personal jurisdiction and forum non-convenience.
- 12.12 The United Nations Convention on International Sale of Goods shall not apply to the Agreement.
- 12.13 The signature of a Party by means of a scan or digitization of the original signature (e.g. a scan in PDF format) or an electronic signature (e.g. via AdobeSign), counts as an original signature with the same validity, enforceability and permissibility. Each Party receives a fully signed copy of the Agreement. The transfer of this copy by e-mail or via an electronic signature system will have the same legal force and legal effect as the transfer of the original copy of the Agreement.
