Description of the activity:	
<b>EITECO05 Target value</b>	<i>[number]</i>
External events organised by national and/or regional authorities with the participation of the ECO and promotion of the EIT Community.	
Activities for implementation	
Deliverables, describing the results	
Timeline/milestones	
Persons / institutions involved	
Used resources (FTE %, estimated incidentals)	
Description of the activity:	
<b>EITECO06 Target value</b>	<i>[number]</i>

Relevant key national events collected and communicated to the EIT Community Members, SRI Cluster and EIT KICs	
Activities for implementation	
Deliverables, describing the results	
Timeline/milestones	
Persons / institutions involved	
Used resources (FTE %, estimated incidentals)	
Description of the activity:	
<b>Work package 4 - General communication</b>	
<b>EITECO07 Target value</b>	<i>[number]</i>
Media mentions of the EIT Community in local publications/news outlets facilitated by the ECO	
Activities for implementation	
Deliverables, describing the results	
Timeline/milestones	
Persons / institutions involved	
Used resources (FTE %, estimated incidentals)	
Description of the activity:	
<b>Work package 5 – Funding opportunities collected and communicated</b>	

<b>EITECO08 Target value</b>	<i>[number]</i>
Local funding opportunities collected and communicated to the local EIT Community Members, SRI Cluster and EIT KICs	
Activities for implementation	
Deliverables, describing the results	
Timeline/milestones	
Persons / institutions involved	
Used resources (FTE %, estimated incidentals)	
Description of the activity:	
<b>EITECO09 Target value</b>	<i>[number]</i>
External funding attracted from synergies/cooperation agreements identified/concluded by the ECO, contributing to the Financial Sustainability of the ECO, and the amount of funding attracted	
Activities for implementation	
Deliverables, describing the results	
Timeline/milestones	
Persons / institutions involved	
Used resources (FTE %, estimated incidentals)	

Description of the activity:	
<b>EITECO10 Target value</b>	<i>[number]</i>
Local funding opportunities collected and communicated to the local EIT Community Members, EIT RIS Hubs and EIT KICs to implement projects jointly	
Activities for implementation	
Deliverables, describing the results	
Timeline/milestones	
Persons / institutions involved	
Used resources (FTE %, estimated incidentals)	
Description of the activity:	

## 1.9 Activity plan 2025 of EIT Community Officer of the EIT Community RIS Hubs in Croatia

Activity plan 2024 of ECO xxx	
Work package1 - Community development	
<b>EITECO01 Target value</b>	[number]
