EIT Health Austria Partner Day 2024

DiGinnovation consortia: an untapped opportunity

Aniko Fejes, PhD

Collaboration Lead (CL), EIT Health Austria

9

Use case – CLC Austria

What worked well?

- Natural advantage: no language barrier between German & Austrian market
- Open and active Partners
- Diverse Partner landscape

Tips & tricks

- Clear expression of what the particular start-up needs vs. flexibility and openness balance – these are projects in development!
- The involvement of the Collaboration Lead is crucial
- Timing – 5 weeks of support programme (Oct 31 – Dec 19)

Co-funded by the
European Union

Reach out to the Programme Manager, Sergio Gonzalez
(sergio.gonzalez@eit-health.eu) for your respective CL regarding consortia building opportunities!
